BUSINESS INTRODUCTION

Short-Term Rental Plans

We provide flexible, short-term rental plans designed to address your immediate equipment needs without the burden of long-term commitments. Our services ensure high-quality equipment and prompt support.

Cost-Efficient FM Services

As a facilities management service provider since 2007, we understand the importance of cost efficiency. Instead of investing in new machines, we offer cost-effective rental solutions, helping you avoid substantial upfront capital expenditures and ongoing operational costs associated with equipment ownership.

Flexible Equipment Rentals

Turn on your ideal machines or provide us with your specifications. We will rent them to you on a monthly basis, ensuring you have the right equipment for your needs without the burden of ownership.

Global Success, Local Launch

After successfully executing similar solutions abroad, we are now excited to launch our services in India, bringing our expertise and cost-effective rental options to the local market.

GROUP PROFILE

RATOQ FACILITIES & SECURITY SERVICES, the holding company of the PRASANNA Group of Companies, was founded in INDIA in 2007, by ONE visionary PERSON "AD Rao" –. From its humble beginnings as a manpower and contracting company, the Group has grown into one of the largest private business conglomerates in INDIA. The reigns have now been successfully passed on to the second generation of leaders. The current leaders derived a name called **RATOQ (R_esponsibility | A_ccountability | T_ransparency | O_penness | Q_uality)** the name itself Make us intrinsically motivating to achieve our heights. Today, the Our Group has 4 companies in diverse business sectors. Each company is an independent profit centre, able to draw on the unrivalled in-house resources and technical expertise of the Group's complementary businesses for its success. Each of our entities is dedicated to serving you better by identifying your needs and delivering quality solutions. & Upcoming presence listed below

just the beginning of bigger things to come. Our next generation is now fully equipped to take the Group forward to unimaginable heights.
